- **Miscellaneous Items**

- o Treasurer Appointment, Katy Gunn Expressed Interest
 - Matthew nominated, Crystal Seconded, Group Voted Yes
- o Clarify if the Vice President Seat Remains. Matthew will check with Jeff to see if he wants to continue as vice president. Matthew described how the VP role came to be. Helpful to have VP to be here in Mason's absence. Group does want to continue to have the role.
- o Bank Change from Centennial to CLECU
 - Because the credit union has supported the schools and rec department it has been brought up to move funds to the credit union. We need to remove all old officers off of the Centennial account since they are no longer officers. Group has no comment on why to stay with Centennial. Credit union has donated major items and donations to the kids. With Thomas we would have a local contact. We will still request sponsorship. Matthew will try to close the account and get a balance of funds as a check to be taken over to CLECU. Motion to move by Crystal, Matthew seconded and group voted approved. Officers to be on the new account will be Mason Kever and Katy Gunn. Open with a \$1000 check from the rec department to open CLECU.
